EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of H.R. 3438 includes a waiver of clause 3(e)(1) of rule XIII ("Ramseyer"), requiring a committee report accompanying a bill amending or repealing statutes to show, by typographical device, parts of statute affected. The waiver is provided because the submission provided by the Committee on the Judiciary was insufficient to meet the standards established by the rule in its current form. The Committee on Rules continues to work with the House Office of Legislative Counsel and committees to determine the steps necessary to comply with the updated rule.

Although the resolution waives all points of order against the amendment in the nature of a substitute to H.R. 3438, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against the amendments printed in this report, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waiver of all points of order against consideration of H.R. 5719 includes a waiver of:

- Section 303 of the Congressional Budget Act, prohibiting consideration of legislation that provides a change in revenues for a fiscal year until the budget resolution for that year has been agreed to; and
- Section 311 of the Congressional Budget Act of 1974, prohibiting consideration of legislation that would cause the level of total new budget authority for the first fiscal year to be exceeded, or would cause revenues to be less than the level of total revenues for the first fiscal

year or for the total of that first fiscal year and the ensuing fiscal years for which allocations are provided

Although the resolution waives all points of order against provisions in H.R. 5719, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
